

Western Regional Button Association

<http://www.wrba.us>

The Western Regional Button Association ("WRBA") was formed in 2003 to further the fellowship of individuals who share a love of button collecting and to add to our button knowledge. WRBA publishes a newsletter and has a newly developed website containing information about buttons, including photographs, articles, work sheets, etc. WRBA also hosts a button convention in Reno, Nevada, every two years, offering educational presentations as well as a button sales event.

WRBA membership is for the calendar year, January through December. A \$5 discount is given for two-year memberships.

We hope you will join us in this glorious pursuit of button knowledge!
